

A GREAT START TO 2021

NEWSLETTER

FEBRUARY 2021

2021 IS HERE! WELCOME BACK

It is with great excitement and pride that I welcome both parents and learners to the Empro Academy 2021 academic year. After the challenges that we have faced in 2020, I can confidently say that we are ready for any obstacles that might come our way.

We are so fortunate to be back at school to share our experiences, our love, our respect for each other and I am delighted to welcome you to the Empro family.

We will strive this year to foster all relationships, not only amongst learners and teachers, but amongst our teachers and our parents as well. We would also like to cherish our mutual trust amongst each other to ensure that the values we have envisioned are attained when your children leave our gates at the end of their academic year.

We can then at the end of the day say with certainty that you as a parent have undertaken the most important decision of enrolling your child at Empro Academy and I can proudly say that you have made the right decision in doing so. Your children are not just a numbers to us; we strive to know each child by their name.

Welcome to the Empro Family!

Believe, Begin, Become.

Lauren Nel
Principal

COVID-19 GUIDELINES

- Remember to wear your mask.
- Sanitize your hands.
- Keep a safe distance from your friends.
- Wash your hands frequently with soap.
- Please inform us if you do not feel well.
- Not sharing is caring.
- STAY SAFE!

IMPORTANT

DATES

During the month of love we are celebrating the birthdays of some of our staff members.

A very happy birthday to:

2 February: Ms. Millica Banda (Grounds Staff)

14 February: Ms. Lizzi Phiri (Grounds Staff)

18 February: Ms. Meghan Ralph (Grade 1A)

A very happy birthday to all our students that also celebrated their birthdays in January and February.

23 February: Cycle tests begin.

Please support your child to perform to the best of their abilities.

25 February: Photo Day

A POEM—GRADE 7

Frequently our students are encouraged to write a piece of literature and it often results in the most interesting work. Have you ever wondered about impossible things that are found in nature? I think we have found the answer!

Why ostrich can't fly

People say it is a lie.

The other animals go zoom.

Ostrich is always in doom,

Caused trouble when flying

Ostrich was only playing.

He was forbidden,

From the garden,

Hated by deer,

Ostrich is left in fear,

Beaten by duck.

He was out of luck.

Rifumo Mboweni (Gr.7)

WE ARE CELEBRATING LOVE!

Cooler than Cupid on Valentine's Day

As Valentine's Day approaches, the Grade 7 class invites all Empro students to celebrate the day of love.

Prizes are up for grabs for those who show off their "dopest" moves. It's going to be "lit", so you better be fit!

A colourful day for the already dazzling atmosphere at Empro, we always support one another in fundraising activities. On Friday 12 February students may wear civvies in the colours of LOVE—pink, red, white and black.

All money raised will be allocated to the Grade 7 end-of-year farewell. So please support us — we would really appreciate it!

GETTING STARTED

www.taptuck.co.za

1. "Download" the TapTuck app
Signup with your cell phone number and receive an OTP.
Voila! You are registered.

2. "Top-up Wallet"
Deposit funds into your TapTuck Wallet with EFT or Credit Card.
There is a 5% transaction fee charged.

3. "Add a Kid"
Add a picture so we can identify your child.
Set name, grade, class & dietary information.
Scan your child's TapTuck card purchased at the tuck shop.
Set pocket money spend limits on each kids card.

4. "Order Ahead"
Order your healthy meal for break time & skip the queues!

THROWBACK TO 20PLENTY

It was a year that no one saw coming, but it was great in its own way. Empro turned 10! Even if we were not able to celebrate it the way we wanted to, we are still so blessed.

Empro turned TEN on the 10th of April 2020. Wow, what a decade! From small, humble beginnings we became the wonderful school we are today. Under the masterful leadership of our Founder and CEO, Mrs. Tania Müller, Empro Academy is looking forward to the next 10 years.

AFTERCARE

• Space available from 1 March 2021
{Please book now as limited space is available}

- 1 Teacher and 1 Assistant to help with homework
 - After School till 16:30
 - R1250 per Student

{All Covid guidelines are in place and daily deep cleansing done}

GR. 1 INTERVIEW

How was your first day of grade 1?

- Very good, I had lots of fun and a really great time at school. I was really excited to meet my teacher in person.

What do you do in grade 1?

- I colour, I do work, I make stuff and I write words and colour for the colouring competition, I am very excited.

What is your favorite subject? Why?

- Maths, because I am really good at plus sums. Maths keeps me excited and busy.

What do you think about the COVID virus?

- It is very sad but the new rules keep us safe. We have to keep our distance and wear a mask, the mask is hot.

Who is your best friend?

- Joshua in my class.
