

HAPPY BIRTHDAY EMPRO

NEWSLETTER

MARCH/APRIL 2021

FROM THE PRINCIPAL'S DESK

As I walk around the school property and through our school corridors, I hear laughter, interaction amongst teachers; learners and their peers and I can also see fun lessons taking place. This is always encouraging to see as this means that the kids are learning effectively.

We want our learners to be happy and we want them to be eager to come to school. Their eagerness to learn encourages the teachers and in turn, motivates the learners to work harder in reaching their full potential.

Although the term is almost over and only 26 days remain, there have been so many activities taking place, but there are so many more to come. The most exciting of them all is that Empro Academy will be turning 11 on Saturday, 10 April.

I would personally like to wish Empro Academy, the staff, the learners and the parents who are part of the Empro family, a happy Empro birthday. May the school continue to be blessed by the support and participation not only by our learners, but the parents as well.

Happy birthday Empro Academy, may you continue being the building block in the community and continue enriching the lives of everyone in it.

Believe, Begin, Become.

**Lauren Nel
Principal**

NEWLY ELECTED SCHOOL LEADERS

It was with great excitement that voting took place for the election of our School Leaders. All our grade 7 students were tasked to run their campaign and convince the rest of the school to vote for them!

Perfect duties are a great responsibility and therefore the leadership role cannot be taken up lightly.

We would like to congratulate the following School Leaders for 2021:

Lanchan Muzame

Lindokuhle Sibaya

Oagile Petje

Rifumo Mboweni

We trust you will make us proud and we know that you will keep our school's name high!

MEET OUR CEO AND FOUNDER

Give me one word that describes you the best.

Passionate.

Empro turned 10 years old in 2020. Where do you see our school in the next ten years?

Being the (private) school of choice where our Empro family keeps on growing to its full potential.

What is the first thing you do in the morning?

I give my Labrador, Boston, a cuddle.

What do you think are the biggest challenges our industry will face in the next five years?

Recovering from COVID-19: Socially.

For the children to be where they were socially before COVID — because we are all social beings.

What serves as a guiding principle in your life?

God.

Mrs. Tania Müller
